

# 10. Inserimento di commenti

In un documento si possono inserire **commenti**; in tal modo, chi legge il testo può trovare indicazioni a cui magari poter rispondere.

The screenshot shows the Microsoft Word interface with the 'Inserisci' (Insert) tab selected. The document content includes the title 'Tutorial HTML<sup>1</sup>' and the section 'INTRODUZIONE AL LINGUAGGIO HTML'. The text describes programming languages and the Web environment. A comment box is open over the text, showing the user 'Maria Ottaviani' and the text 'Questo termine significa MARCATORE'. The comment box also includes a 'Rispondi' (Reply) button and a 'Risolvi' (Resolve) button. The background of the comment box shows a snippet of HTML code:
